**GLOBAL DAILY FANTASY SPORTS MAKES KEY MANAGEMENT APPOINTMENT.**

**Vancouver, B.C. – November 14, 2017 – Global Daily Fantasy Sports Inc.** (“Global” or the “Company”) (**TSX-V: DFS**) is pleased to announce the appointment of Mr. Paul Dever as the Company’s new Chief Financial Officer and Corporate Secretary. Mr. Dever has extensive experience in the iGaming industry and is a key addition to the executive team as the Company advances forward from development of its DFS platform to operations. Prior to joining Global, Paul was the Vice-President of Finance for Amaya Gaming’s (now The Stars Group Inc.) online B2B businesses. He has extensive prior experience working in international companies, holding senior roles in both CryptoLogic and Juniper Networks. Paul holds a BA in economics and is a fellow of the Institute of Chartered Accountants in Ireland.

Effective immediately, Mr. Harvey Lim has tendered his resignation as Chief Financial Officer and Corporate Secretary of the Company to accommodate Mr. Dever’s appointment.

Darcy Krogh CEO of Global Daily Fantasy Sports comments, “We are pleased to welcome Paul to the team and look forward to him providing his extensive iGaming experience to our financial team. I would also like to personally thank Harvey on behalf of the Company for his financial stewardship up to this point and wish him well in his future endeavors.”

“Global has a very exciting product in an industry with tremendous opportunity,” said Mr. Dever. “I’m looking forward to contributing to the future success of Company and working with Darcy again, and the experienced team he has assembled.”

**About Global Daily Fantasy Sports Inc.**

Global Daily Fantasy Sports Inc. (TSX-V: DFS) is a multi-tenant gateway that allows operators to offer their customers a world class Daily Fantasy Sports software solution. The platform allows for seamless integration at the operator level without having to share or compromise any sensitive customer data. Joining the Company’s network allows operators to capitalize on a mature infrastructure, with shared liquidity, that was built specifically for regulated market environments. As the first true B2B global network, the Company is a SaaS product that offers a turn- key solution for sportsbook operators, land-based operators, media groups, and big database companies to participate in the daily fantasy sports industry.
