

**FOR IMMEDIATE RELEASE**

**GLOBAL DAILY FANTASY SPORTS RECEIVES UK GAMING LICENSE**

**Vancouver, B.C. – November 21, 2017 – Global Daily Fantasy Sports Inc.** (“Global” or the “Company”) (**TSX-V: DFS**) is pleased to announce that GDFS Malta Inc, the company’s wholly owned subsidiary, has been granted a Combined Remote Operating License from the UK Gambling Commission. The License entitles the company to manufacture, supply, install and adapt gambling software for electronic devices or websites in a network setting. It also allows such activities to be done by remote means (i.e. online). Global plans to license its B2B daily fantasy sports content and technology within the United Kingdom.

Darcy Krogh CEO of Global Daily Fantasy Sports comments, “I am delighted to announce that we have been granted a remote gambling licence in the UK. This will be a key target market for our business moving forward. Currently our focus is on going live with our Italian clients, and with the launch of our .com network shortly thereafter, we plan on signing a number of key strategic partners in the UK.”

**About Global Daily Fantasy Sports Inc.**

Global Daily Fantasy Sports Inc. (TSX-V: DFS) is a multi-tenant gateway that allows operators to offer their customers a world class Daily Fantasy Sports software solution. The platform allows for seamless integration at the operator level without having to share or compromise any sensitive customer data. Joining the Company’s network allows operators to capitalize on a mature infrastructure, with shared liquidity, that was built specifically for regulated market environments. As a true B2B global network, the Company is a SaaS product that offers a turn- key solution for sportsbook operators, land-based operators, media groups, and big database companies to participate in the daily fantasy sports industry.
