

FOR IMMEDIATE RELEASE

## GLOBAL DAILY FANTASY SPORTS SIGNS EXCLUSIVE DEAL WITH SPORTINGTECH

Vancouver, B.C. – May 9, 2018 – GDFSI Malta Ltd, a subsidiary of Global Daily Fantasy Sports Inc. (referred to jointly by “Global” or the “Company”) (TSX-V: DFS) a B2B Daily Fantasy Sports software provider has signed a three-year agreement with Sportingtech to be their exclusive provider of the company’s Daily Fantasy Sports product and platform to Sportingtech’s group of clients.

Sportingtech was founded in 2017, by a management team with over 15 years of experience in the iGaming industry. Its portfolio of technology products and services is shaping the future of the iGaming industry by delivering innovations that operators desire. Based in Portugal and Malta, with regional offices in the UK and Uruguay, Sportingtech has thrived by developing ground-breaking solutions targeting some of the most demanding gaming jurisdictions around the world. This agreement will further enrich the extensive range of premium offerings available on the Sportingtech platform. Sportingtech, in cooperation with Global, will now be able to offer daily fantasy contests to their operators seeking to acquire and engage customers who want to compete with others by building fantasy teams of professional athletes, and earn points based on the actual statistical performance of those athletes in real-world competitions.

Elvis Džombić, Head of Business Development at Sportingtech, expressed “We always look forward to bringing innovations that will generate added value for our clients and enrich the product portfolio within our Pulse platform solution. This product is all about that, a game where skill meets social – designed for the rising demand of iGaming products targeting the younger demographic. Integrating the Global Daily Fantasy Sports solution is very important for us from strategic point of view and will definitely help our clients to stay at forefront of the game”.

Global Daily Fantasy Sports CEO Darcy Krogh said: “We are delighted to sign Sportingtech as our first dotcom partner and achieve another milestone for our company. Sportingtech has a number of customers in key markets who have shown an interest in daily fantasy sports and we are excited to work with them and their clients to introduce them to the world of daily fantasy sports.”

### About Global Daily Fantasy Sports Inc.

Global Daily Fantasy Sports Inc. (TSX-V: DFS), with its subsidiaries, is a licensed and regulated provider of fantasy sports software with offices in Malta, Toronto and Vancouver. Its platform is a multi-tenant gateway that allows operators to offer their customers a world class Daily Fantasy Sports software solution. The platform allows for seamless integration at the operator level without having to share or compromise any sensitive customer data. Joining the Company’s network allows operators to capitalize on a mature infrastructure, with shared liquidity. As a true B2B global network, the Company’s platform is a SaaS product that offers a turn-key solution for sportsbook operators, land-based operators, media groups, and big database companies to participate in the daily fantasy sports industry.
